Please note that the above figures are coroner confirmed suicides, at present we have not been provided with conclusions from the coroner's office for any other suspected suicides, so we are unable to provide any figures for any other months requested. It should be noted that we are aware of some delays with coroner verdicts and would not determine a death as suicide prior to any inquest, this may affect this data return.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service, you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of
The Information Governance Department
