Dear [REDACTED],

Request for Information

I write further to your request FOI ID 39573 under the Freedom of Information Act 2000 regarding:-

International student admission offers

Your request is set out below:

- **I am writing this email to inquire about the admission offer to the international student for medicine each year AY 2022/2023 in Kent and Medway NHS and Social Care Partnership Trust.**

Medical schools will make admission offers to new applicants of students rather than individual NHS organisations such as KMPT. KMPT offer Psychiatry placements to our partner medical school students who often provide very limited data as a placement holder. Therefore, we are often unaware of whether students are international fee-paying students.

In order to obtain the information you require please redirect your request to the relevant medical schools who will be able to further assist you.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of

The Information Governance Department
