

Dear

We have received an FOI request from Auria Star Healthcare

They are requesting information as follows –

Active (not historic) current data set (Snapshot) of your Community Eating Disorders Service data, otherwise not available via other methods (online data collections).

Kent and Medway NHS and Social Care Partnership Trust do not have a current Community Eating Disorder Service and therefore cannot provide the requested information.

From an FOI perspective, we are obliged to respond as soon as possible and, in any event, within the prescribed legal timescales. Therefore, your kind response to me no later than 06/05/2025 would be much appreciated.

If you have any questions or queries please don't hesitate to contact me as soon as possible quoting the unique reference number of FOI ID 49523.

Kind Regards
