Dear [REDACTED]

Request for Information

I write further to your request FOI ID 40400 under the Freedom of Information Act 2000 regarding:-

Anaphylaxis admissions and treatment

Your request is set out below:

- I am writing you requesting a Freedom of Information. I would like to find out the number of people admitted to your NHS trust for Anaphylaxis, and the number of deaths caused by Anaphylaxis. I would like to find out what was the cause of Anaphylaxis (e.g. food or medicine).
- Can I please request these statistics for the past 5 calendar years and broken down by gender and age?

Unfortunately, the Kent and Medway NHS and Social Care Partnership trust are unable to provide you with the information you have requested as we provide the mental health care and treatment for Kent and Medway area.

The information you have requested should be provided by the Acute Hospital Trusts in the Kent and Medway area who provide physical health care and treatment.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

We are proud to be smoke free
