Dear [REDACTED]

Request for Information

I write further to your request FOI ID 1506 under the Freedom of Information Act 2000 regarding:-

ADHD Assessment for serving military personnel

Your request is set out below:

- 1) Under your current policies, do you accept referrals for currently serving Military Personnel for an ADHD Assessment.

No, KMPT do not accept any referrals for ADHD assessment for any one including military personnel because this service has been commissioned by Kent and Medway ICB to be under taken by Kent Community Health NHS FT ONLY details can be found here <https://www.kentcht.nhs.uk/service/asd-adhd/>

- 2) If the answer to (1) is no, to what agency or service do you redirect serving Military Personnel to?

Please see above, KMPT can refer into this service so can and individual, GP or any health / care professional

- 3) Under your current policy do you prioritise currently serving Military Personnel for an ADHD assessment.

No, see above but we would make an onward referral to Kent community Health NHS FT if we thought a diagnostic assessment was required

- 4) What categories of people from the general public do you prioritise for an ADHD assessment?

None, see above

- 5) What support do you offer to people (military or not) who are diagnosed with ADHD?

We are proud to be smoke free

Trust Chair – Dr Jackie Craissati
Chief Executive – Helen Greatorex

KMPT offers a wide range of mental health services. Although KMPT are not commissioned to offer support related to ADHD specifically, this would not preclude a person receiving mental health support for ADHD specific needs through a multi-disciplinary team of professionals involving KMPT. The full range of services provided by KMPT can be found on our website at www.kmpt.nhs.uk.

6) What is your current waiting time for all adult referrals for an ADHD Assessment?

We don't have any waiting times as we do not offer this service; it is my understanding the waiting times are around 5 years but more current details are posted and updated on the website <https://www.kentcht.nhs.uk/service/asd-adhd/>

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of
The Information Governance Department
