Dear [REDACTED]

Request for Information

I write further to your request FOI ID 40158 under the Freedom of Information Act 2000 regarding:-

Digital tools

Your request is set out below:

Does the ICS have any current contracts for digital tools that support patients in the following departments within the trusts in the ICS's responsibility:

- MSK (Musculoskeletal)
- Women's Pelvic Health

If yes, which digital tools are you using?

If no, do you have future plans to use digital tools for MSK and Women's Pelvic Health?

The Kent and Medway NHS and Social Care Partnership Trust provide the adult mental health services for the Kent and Medway area, we do not provide any MSK or women's pelvic health services.

If your email was intended for the commissioners of these services then you will need to redirect your request to the Kent and Medway Integrated Care Board who commission the NHS services across Kent and Medway.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

We are proud to be smoke free

Trust Chair – Dr Jackie Craissati
Chief Executive – Sheila Stenson

On Behalf of
The Information Governance Department
