Dear [REDACTED]

Request for Information

I write further to your request FOI ID 49415 under the Freedom of Information Act 2000 regarding: -

Call-off contracts in the public sector

Your request is set out below:

I am doing a research project investigating call-off contracts in the public sector. I have identified three potential call-off contracts awarded by Kent & Medway NHS & Social Care Partnership Trust, but I can't find details of the framework agreements they were awarded from.

I have attached an Excel file that contains the information I am looking at. The last two columns ("Title of framework used" and "Further framework info") is where I am missing information. Please could you provide the name of the specific framework agreements or DPS agreements used here. If there is any further info which you think would help me locate the framework agreements (e.g., a link to the framework's Contract Finder or FTS listing, the framework provider, or a widely-used reference number such as CCS's RM codes), please use the final column for this.

Please find attached completed spreadsheet

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of
The Information Governance Department
