In the past 12 months, on how many separate occasions have formaldehyde levels been recorded that are greater than 1.5ppm but less than or equal to 2ppm in the Trust's Histopathology Department?

We are proud to be smoke free

Trust Chair – Dr Jackie Craissati
Chief Executive – Sheila Stenson

In the past 12 months, on how many separate occasions have formaldehyde levels been recorded that exceed 2ppm in the Trust's Histopathology Department?

The Kent and Medway NHS and Social Care Partnership Trust are commissioned to provide the adult mental health care and treatment for the Kent and Medway area. We do not have a Histopathology Department, these are likely to be located within the Acute Hospital Trust's across the area.

I confirm that the information above completes your request under the Freedom of Information Act 2000. I am also pleased to confirm that no charge will be made for this request.

If you have any questions or concerns or are unhappy with the response provided or the service you have received you can write to the Head of Information Governance at the address on top of this letter. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision.

Yours Sincerely

On Behalf of
The Information Governance Department
